2. Six (6) full studies and five (5) supplements were printed during the fiscal year 1946.

3. No funds have been appropriated for 1947. 1946 funds to the amount of \$70,000 were made available to the JISPB by the Navy Department to publish JANIS 312 and 71. Contracts were let as follows:

McGregor and Werner Inc.	\$30,000

5,074.55 included

Expenditure at Army Map Service to 31 October 1946 was \$5,074.49

4. Although the deadline date for JANIS 312 and 71 was 1 July 1946, these studies have not yet been completed. Chapters II, VII, VIII and IX of these studies have not been received from contributors. Chapters I and XIII cannot be completed by JISPB until all chapters are received. Ten (10) chapters of these studies are in process of production; two (2) chapters are in process of editing.

5. Four (4) additional JANIS are scheduled to be submitted to JISPB during the fiscal year 1947 for which no funds for printing have been appropriated. If all these studies are submitted, it is estimated that \$133,333.00 will be required.

^{66%}
This is ~~75%~~ of the original estimate of \$200,000.00 inasmuch as four (4) instead of six (6) JANIS is the maximum number that can be expected to be submitted before 1 July 1947.
